

What We Teach F (Reception) – Year 12

Year 9/10

At Karoonda Area School we utilise two sets of Curriculum Documents in the F (Reception) – Year 10 range.

As an accredited school, the Australian Curriculum is the document, which is mandated.

Planning and Curriculum is the document, which is mandated.

Planning and Curriculum is delivered across the eight (8) curriculum areas (where possible) incorporating the General Capabilities and Cross-Curricula Priorities.

In conjunction with the Australian Curriculum, DfE SA has developed Units of Work and a Scope and Sequence which are also used to guide our teaching and learning. (2021 Science, Maths, English). Please note these are not compulsory but can be utilised as a guide by individual teachers/schools.
